ATHLETIC DAY OBSERVED BY HIGH SCHOOL PUPILS

Exercises Took Place at the Close of Last Chapel of the School Year

LETTERS AWARDED TO PLAYERS

Athletic Day was celebrated at the high school last Thursday morning, at the conclusion of the closing chapel exercises of the year. After stating the purpose of the extended meeting, Prof. C. C. Lively introduced Prof. T. Parsons Miller, athletic director, who gave a brief account of the work of the various school athletic teams, and then announced the names of those eligible for letters, in recognition of their achievements in the different branches of sport.

Frank ("Dutch") Wagner, Edward Aubrey Daniel, Dwight Stephens and "Peck" Webster were granted letters for their excellent work on the varsity basket ball team, while Grace Piersol, Mildred Sangston, Margaret Wilson, Thelma Phillips and Mary Speers were the fortunate ones on the girls' team.

Appropriate letters were given those who won five points or more in the recent county meet at Washington, which included the members of the relay team, as follows: James Arter, "Peck" Webster, Hardie Al-Earl Bruce, Chauncey Collins, Lida Bell Woodward, Wenzella Pieper, Blanche Sphar, Grace Piersol, Mildred Sangston, Thelma Phillips, Olive McKay and Rosalie Tess.

Members of the senior class were also the recipients of a gold medal, donated by the athletic authorities of the high school, as a token of appreciation of their splendid efforts in the various athletic activities, during their four years' course. The medal, which is said to be a most attractive one, bears on its face an engraved "A," denoting the branch of service for which it was awarded. Unfortunately, the medals did not reach here in time for presentation at these exercises, but they will be forwarded to their owners just as soon as they arrive. The graduates who received these were Frank Wagner, Edward Aubrey Daniel, Dwight Stephens, James Bowers, William Dawson, James Gray, Olive McKay, Grace Piersol and Mary Speers.

Last year a silver cup was awarded to the most capable athlete among the members of the freshman class, who, at that time, proved to be Earl Bruce. This year, the distinction goes to Russell ("Boots") Hill, one of Charleroi high's most promising track men. "Boots" won four firsts in the meet at California, a week ago, and was also a member of the successful relay team, which won handily. He will, undoubtedly, prove to be one of the local school's mainstays in future athletic events, unless indications go away, as he is developing most satisfactorily.

The program was interspersed with readings by the Misses Winifred Phillips and Ruth Walters, both of whom are very capable elocutionists. They were heard with pleasure. Carl Schigner delivered a splendid paper on "Has the Airplane Made the Battleship Obsolete." Ornan Morgan contributed "On the Road to Mandalay," by Oley Speaks. His singing was hugely enjoyed, and in response to a persistent recall, he responded with Metcalf's "Absent."

NO COURT WILL BE HELD MEMORIAL DAY

Monday, Memorial Day, there will be no sittings of the court at Washington. Common pleas court, when it adjourned Thursday, did so until Tuesday morning of next week at 9:45 o'clock. The trial list shows cases listed for Monday and jurors were drawn to appear on that date. The court, however, has decided there will be no court on that day, but jurors have been urged to be on hand early Tuesday morning.

MANY MATTERS WERE BEFORE HEALTH BOARD

A meeting of the Board of Health was held at the borough building last evening, at which time reports were made by Health Officer Wm. M Darby.

He reported that during the month of May there were one case of scarlet fever, six cases of chicken pox, 1 case of measles, 1 case of tonsilitis and one case of diptheria under his observation; at the present time there are three cases of chicken pox and one case of scarlet fever

One cow stable and seven cellars were reported in an unsanitary condition, and owners notified to make immediate improvement. Seven closets were closed and six new ones located.

As to housing conditions one hous ewas reported in bad condition, and one store room. There were twelve general complaints.

By direction of the Board all restaurants and eating houses are to be notified to place proper receptacles for garbage ,to keep them covered from the flies, and to have them emptied at frequent intervals during the summer months. They were given until Tuesday to place proper cans.

The ice plants also came up for discussion, and the health officer directed to see that sanitary methods were strictly enforced.

The delivery of milk was also discussed. It developed there were milk peddlers who were selling their product in Charleroi from unmarked wagons. The health officer was directed to notify them to have their wagons properly marked at once, and in case of failure the dealer was to be prohibited from selling any of his product in Charleroi until he had complied with the order. The practice of some of these dealers in loading their wagons with garbage after selling their milk was also discussed, and a prohibitory order was also directed against them if any of them persisted in this practice.

A classified ad. will rent that vacant room.

A FLOWER AND A TEAR FOR THE HERO WHO SLEEPS

A. M. HOSACK DIED THIS MORNING

A M. Hosack, one of the best known land owners in this section of Washington county, died this morning at 6 o'clock, at his home, Scenery Hill, aged 89 years. Mr. Hosack was born on what is known as the Pigeon creek homestead of the Hosacks, which farm he owned at the time of his death. He is survived by five children, Mrs Lulu VanVoorhis, who is at home; Mrs. Margaret Myers of Orlando, Florida; Mrs. Effie Hill of Homestead; Thomas Hosack at home and David Hosack of Scenery Hill. Chas. S. VanVoorhis and Frank Myers of Charleroi are grandsons.

Appeal For Flowers

As Charleroi proposes to celebrate Memorial Day this year in a more elaborate manner than ever before in its history, it is necessary that our citizens be generous with their contribution of flowers, in order that the graves of those who died in service or of soldiers who have since been called to sleep with the silent majojrity may be properly and appropriately remembered. Those who will assist in this feature of the Memorial Day exercises are requested to leave contributions at the home of Miss Minnie B. Richardson, 401 Lincoln avenue, on Saturday next.

You will want your porch to look as nice as your parlor. Let us call and get those porch runners and clean them. They will then look like new ones. All work will prove satisfactory. Electric Carpet Cleaning Company, Raymond L. Yenny, Manager, 719 Fallowfield avenue. Local 'Phone 285 301t3-*

MARIANNA CONDITIONS SHOW IMPROVEMENT

Resumption of the power plant and pumps of the Union Coal and Coke company at Marianna was expected this morning as a result of developments late yesterday afternoon, which caused the rather serious situation there to take a more hopeful turn.

Officials of the United Mine Workers of America, from Pittsburg, visited the town and were in conference with officials of the local union and of the mining company. They were assured that the firm was not mining coal for market, but solely for the purpose of providing fuel with which to operate the power plant and pumps, which furnish water and eelctricity for the houses occupied by the miners.

Sheriff Gray swore in a number of deputies to serve but in the more hopeful turn of affairs their services will not likely be required. However, some of them will be placed on duty today for any emergency.

A few families at that place are reported as being in need of assistance, but J. Harrison Stein, executive secretary of the Washington County Red Cross, visited Marianna yesterday, in order to make a survey of the situation and prepare to render what aid is necessary.

The mines at that place have been idle for the past six months, with but little immediate prospect of resumption.

Notice To School Children

All the children who are to participate in the Memorial Day exercises are requested to meet at the high school auditorium at half-past nine o'clock, Monday morning, promptly.

CURB MARKET ENDORSED BY THE CHAMBER OF COMMERCE

New Departure will Begin About June 15, under Direction of Jos. Haube

SEC'Y TO ATTEND CONVENTION

The Board of Directors held their regular meeting on Thursday at four p. m. The Farmers committee and the Forum had recommended to the Board of Directors that a Curb Market be endorsed, and the following resolution was passed: "Resolved that the Board of Directors of the Charleroi Chamber of Commerce heartily endorse the establishment of a Curb Market." This Curb Market will probably open about the middle of June, and will be under the direct supervision of Joseph Haube, chairman of the Farmers Committee.

The Board of Directors asked that the manager of the Chamber, J. S. Heffner, be sent to the Annual Convention of the Pennsylvania Commercial Secretaries' Association, to be held in Philadelphia on Friday and Saturday, June 17th and 18th. An elaborate program is being arranged by the president and officers of this association. Every secretary will have a broader vision of his niche in the community and will be better equipped to handle the affairs of tomorrow if he attends this convention in Philadelphia.

W. M. Darby, chairman of the Exposition committee, appeared before the Board of Directors and asked how the proceeds from the exposition this fall should be used. It was decided that one half of the proceeds should go to the Board of Charity of Charleroi and the other half to the Charleroi-Monessen hospital.

GOLF FEATURES AT THE NEMACOLIN CLUB

At the Nemacolin club, starting at 9:30 o'clock, Monday morning a two-ball mixed foursome under handicap will be held. At 2 o'clock an exhibition match over the new course will be staged between E. Towns and R. L. James of the Shannopin Country Club, and P. Walsh and E. Giles [illegible] Club. The match will bring into competition four of the best golfers in Western Pennsylvania and a large gallery is looked for.

UNIVERSAL TROPHY RACE A BIG EVENT

Officials of the Uniontown Speedway Association will attend the international races at Indianapolis on Memorial Day. The Universal Trophy race at Uniontown on June 18, follows immediately after the Indianapolis race and the majority of the drivers at the Indianapolis contest [illegible] to come to Uniontown. The Universal Trophy Race at Uniontown on June 18 will be a championship point event, a condition which has caused Duesenberg to send its entire racing team to that place. The original Duesenberg plans had been to send Jimmy Murphy and Eddie Pollen direct to LeMans, France, after Indianapolis, but the fact that the Uniontown race will be a championship event caused the Duesenberg brothers to delay sailing for France until after the races at the Fayette county capital.

President Johnson and Manager Corns, of the Uniontown Speedway, will remain in Indianapolis until the racing cars are loaded for Uniontown for the Universal Trophy Race. The event is causing a great deal of interest in the valley and it is expected that hundreds of race enthusiasts will be in attendance from this section.

PARADE WILL MOVE PROMPTLY ON TIME

Arrangements for the observance of Memorial Day in Charleroi are completed. All organiations taking part in the parade are requested to be at the borough building promptly, as the parade will move at 10 o'clock sharp. The route will be up Fallowfield to Second, to Washington, to Tenth, to McKean and up McKean avenue to Fifth street, where the exercises will take place. Hon. Henry W. Temple will be the speaker, and it is necessary for him to be in Monongahela at 12 o'clock to fill a previous engagement. This requires that the local schedule be strictly adhered to.

MONUMENT WILL BE DEDICATED AT 2:00 P. M.

The exercises incidental to the unveiling and dedication of the Memorial tablet and monument at Monongahela, Monday afternoon next, will take place at 2 o'clock, fast time, in front of the city hall, where the monument has been placed. Prior to the dedication a parade of veterans of former wars will take place, in which all visiting veterans have been invited to take part.

RECANTS ON FREE TRADE

The recent speech in the Senate of Senator Henry F. Ashurst, of Arizona, in which he avowed his conversion to the Republican policy of protection, may have been actuated by sincere and newly acquired convictions, or it may have been distrated by the thought that he is to be a candidate in 1922 to succeed himself. If the former it records one more desertion in the United States Senate from the forces of free trade. If a resort to political expediency it indicates that an entire State has come over to protection and that Mr. Ashurst is tailing the procession and trying to keep step with the music. In either event, his address did not fail to make considerable impression on the dwindling free trade minority in the Senate, one of whose leaders is Senator Stanley, himself an ardent champion of protection on tobacco, Kentucky's key industry.

"I warn Democrats now," cried Ashurst, "do not permit the American people to suspect that you look with favor on free trade. We lost the election of 1880 and we lost the election of 1888 because there was a suspicion in the public mind and we looked with favor on free trade. I have seen Democratic Senators in the North and in the West go down to defeat in their candidacies for Congress because they were suspected of being free traders. Every intelligent man knows that free trade exists only in the imagination of theorists. I was about to say that there is no free trade nation, but there is one, the Eskimas."

Mr. Ashurst was addressing himself mainly to the question of protection to long staple (or sea island) cotton, on which he offered an amendment to the emergency tari act to increase the duty from 7 to 20 cent a pound in order to restrict the staple. "This Egyptian cotton is being imported into the United States at the time when the farmers are trying to build up this long-staple cotton industry," said Ashurst, "but unless some relief be granted, thousands of Americans, who believe their Government should at least extend to them the same measure of consideration that it extends to the Egyptian, will be driven to failure."

Mr. Ashurst presented some interesting facts dealing with the long staple industry. It appears that the Pima variety an Egyptian type of cotton, was first produced in the Salt River Valley in Arizona. In 1920 it was somewhat extensively grown in this valley and today the estimated Pima acreage in the Southwest is 240,000 from which it is safe to estimate a crop of 120,000 bales. It is in large demand for the finer cotton weaves, and on account of its length and tensile strength is vitally essential to the auto tire industry. The production cost per pound ranges from 60 cents with an 800 pound yield on an $80 per acre upkeep, to 36 cents with a 200 pound yield on the same land: while with a production cost of $50 per acre, net harvesting cost $1 per hundred, a 1,000-lb yield per acre will pull it down [illegible] cents. The picking cost in Egypt in 1920 was less than $10 per 500-lb. bale, as compared with $80 in Arizona for the same amount. The estimated average cost of production in Arizona for 1921 is 41 cents a pound, while the Egyptian cotton can be laid down in New Bedford for 26 cents. [illegible] imported 4,5[illegible] bales of the Egyptian cotton compared with an average of 262,000 bales for the five years preceding.

Voting for the Wilson-Underwood tariff law of 1913, Mr. Ashurst said: "Many criticisms have been directed against this pending bill for the alleged reason that it will injure many American industries. In reply the Democratic party says: 'We envy no man what he makes; we only challenge what he takes!'" The Senator from Arizona had just been elected. Does he feel himself slipping?

ADOPTING BABIES

As it is better to be a foster parent than no parent at all, it may be regarded as gratifying news that the practice of adopting children is growing in this country. The plan has its advantages. Married couples who are unable or unwilling to produce offspring of their own can thus brighten their homes with child life and—where the adopted prove disappointing as they grow up—can feel less responsibility than in the case of real parenthood. It is interesting to know that the practice of adopting infants is not confined to wealthy families, hundreds of people of humble circumstances undertaking to raise orphan children every year.

Most readers will be surprised to learn that the supply of American babies does not now meet the demand that in consequence a British-American Adoption Society has been formed, and that selected groups of infants under 1 year old are already being imported. These are now being brought over, it is stated, "like princes and princesses in cabins de luxe" and "the laws of the United States are being suspended in their behalf as if they were Ambassadors." It is suggested that the well-to-do families, some of them [illegible] the Social Register, who adopt the British infants may imagine that they are "better born" than orphan or abandoned American babies, but it is not unlikely that the great majority of them could be traced to the slums of London and other British cities. This is the more probable because after two and a half years all "war orphans" can hardly fail to have been provided for. But so powerful is the influence of environment that even children from the slums can be brought up to become excellent citizens.

JUNIOR HIGH PUPILS PICNIC AT OAKLAND

Pupils of the eighth grade, second section of the Charleroi junior high school, together with the members of the faculty, journeyed to Oakland park yesterday afternoon, where they enjoyed a delightful picnic. The weather was ideal for such an event. During the afternoon a programme of sports and other forms of amusement were indulged in, with the keenest delight by all. An adequate supply of refreshments was available, and this was fortunate, inasmuch as a majority of the youngsters had developed ravenous appetites ere the mess call was sounded. The picnicers returned to their homes at a seasonable hour, tired, but happy, voting the day a most pronounced success in every way.

STORE CLOSED MONDAY, MAY 30th, MEMORIAL DAY

The day the country pauses in the hurry of its every day life to pay honor and to reverance the soldiers, living and dead, who have fought to maintain the ideals of the nation from the time it was in its infancy until the present. It is fitting that everyone, as an individual, take into account those ideals, the mighty price of upholding them, and do his bit in their perpetual maintenance.

FOUR DOCTORS GAVE HER UP

Through a Neighbor's Advice This Woman Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Kenosha, Wis.—"I suffered with a female trouble and at last was in bed for six weeks with what the doctors called inflammation of the bowels. Four of them said I could not live. A neighbor told me to use Lydia E. Pinkham's Vegetable Compound and it helped me from the start. When the doctor came I told him what I had taken and he said, 'Throw my medicine away and keep on with the Pinkham medicine.' I did and it cured me. If more women would take your medicine they would not suffer so. I have recommended the Vegetable Compound to lots of people and they have been satisfied."—Mrs. MARY RHAPSTOCK, 270½ Wisconsin St., Kenosha, Wisconsin.

When a woman is beset with such symptoms as irregularities, inflammation, ulceration, a displacement, backache, headaches, bearing-down pains, nervousness or the "blues" she should treat the cause of such conditions by taking Lydia E. Pinkham's Vegetable Compound, the standard remedy for woman's ills.

MEMORIAL DAY PROGRAM FOR MONONGAHELA

Memorial day program will begin in Monongahela on Sunday evening at which time Starkweather Post No. 60, G. A. R., together with Starkweather Circle, Ladies of the G. A. R., will hold memorial services on the river bridge for the men who served in the navy. Immediately following this feature the Post, and Ladies Circle, escorted by Company A, will attend services in the Lutheran church. On Monday the Post assembles at 8:45 in the morning and at 9:00 o'clock will begin the march to the cemetery, where the usual services will be held at the soldiers' circle.

J. W. Pentz and sister Miss Ethel were called to DuBois last week on account of the death of their grandmother, Mrs. W. H. Reasinger.

TO IMPROVE ROAD TO NATIONAL PIKE

That highway conditions between Charleroi and the National pike will be materially improved within the coming year and possibly before the coming winter is shown by the fact that the county commissioners will receive bids up until 12 o'clock, noon, June 21st, for the resurfacing of the Beallsville-Bentleyville road. The contract, awarded, will begin at the end of the concrete near the Greensboro Gas company pump station and will extend toward Bentleyville a distance of two miles more or less. The road is to be resurfaced with reinforced concrete 16 feet in width.

Agitation for the improvement of this stretch of highway has been under way for some time, and it now appears that it will bear fruit. The Beallsville-Bentleyville road is an important link between the river section and the National pike, and its with instant favor on the part of the residents of this section of the county.

LIVE CONTEST FOR CENTERVILLE BOROUGH

Centerville borough will be the scene of a lively political contest this fall, if present signs amount to anything. There are four members of town council and four school directors to be elected, and the people of the river section of the borough say that they mean to take all of these eight offices.

Centerville has quite a large area and the sparseness of its settlement gives it two widely separated interests. The river section is employed in mining and the interior is given to agriculture. The inland section has had the reins and the citizens of the river section complain that their roads and their schools are neglected, while the roads and schools of the agricultural district are kept to the highest standard.

The river section men claim to have enough votes to nominate and elect their candidates on either ticket, and while there is some talk of an independent movement, it is believed that the voters will stick to the old parties to bring about any change desired in the borough.

HILL TOP SMOKER A SPLENDID SUCCESS

The Smoker held under the auspices of the Hill Top Athletic Club at the French Hall Thursday evening was a most successful affair. The house was filled to its capacity and the program was enjoyed by all present. John McFeeley entertained with his merry-go-round punch and was well applauded. The boys of the Club wish to thank those who gave their services to help make this Smoker a success, and in particular, the barbers of Charleroi.

The Most Beautiful Car in America

Distinction Without Extravagance

Most five-passenger cars are undistinctive and commonplace. They are types instead of original creations. And therein lies the first great difference between the New Series "Glenbrook" and many other cars of the medium priced field

When you first look at a "Glenbrook" you will recognize it at once as a car with a very distinctive and altogether charming personality. Like well groomed people, it is individual and unique.

Ride in the Glenbrook and your first impression will become enthusiastic convictions. You will sense at once the power and mechanical resources that meet every emergency of the road. Each burst of speed, each conquered grade drives this conviction home.

But spirited performance is most appreciated these days when it is achieved without waste and extravagance. Not the least of the Glenbrook owner's satisfaction lies in his modest bills for fuel and upkeep.

BUICK

Authorized Buick Service — Emblem of Satisfaction

THE capacity of Buick for day in and day out service under every weather and road condition is appreciated today more than ever. Because today car values are being more rigidly scrutinized as investments that are expected to pay definite dividends in service.

A ride in a 1921 Buick will demonstrate this Buick reliability, and make you realize why more Buicks are in operation today than any other car, with one exception.

Since January 1, regular equipment on all models includes Cord Tires
